SUNKEN MEADOW JUNIOR GOLF LEAGUE

Welcome to the 2019 season.

Tee to Green has put together a full schedule of fun events, serious competition and interclub matches for your golfing pleasure. In "The Spirit of the Game", golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for all Members and to abide by the Rules. All Members should conduct themselves in a disciplined manner (including dealings with staff), demonstrating courtesy and sportsmanship at all times, irrespective of how competitive you may be. If a situation arises that you are uncomfortable with or need clarification as to policy and procedures, please feel free to contact and discuss with me at any time.

OVERVIEW:

League Members are expected to maintain a pace of play of 2 hrs 15mins or less for 9 holes. Penalty strokes may be administered when necessary to Players not adhering to the Pace of Play Policy. For Pace of Play reasons, Players are required to pick up once they have made double par swings on a hole. Players must record a score for that hole that they most likely would have made, if the hole was played out (in addition, put an "x" next to the score if using this procedure)

USGA rules are in effect, except where local rules apply for each event, and Members are expected to have a working knowledge and understanding of basic rule situations that arise on the course.

ALL Members are required to complete one mandatory on-course group Rules/ Pace of Play session with Judy, offered during the months of May/June/July. Failure to complete a session will preclude a member from entering The Club Championship and may result in suspension from the League until completed. You may sign up by calling or emailing the Pro Shop once the date is published.

FOR 2019: To assist with better understanding the "New" Rules, the USGA has developed a series of videos called "Have Fun Learning the Rules of Golf". Please go to www.usga.org to watch a series of short videos which explain major rules changes that have been put into place for 2019.

Players must shoot a score of 17 or better on the 1st three holes (par 4, 3, 4) of Sunken Meadow from the Forward Tees to play in the "QUALIFIED" grouping. Players NOT SCORING 17 OR BETTER will still be able to participate in the Junior League but will be grouped with similar Players in the "UNQUALIFIED" Division. A "UNQUALIFIED" Player may attempt to qualify for the "QUALIFIED" Division as often as needed, but the score must be

attested by a Staff Member or parent. Players must be at least 7 years old and no older than 17 to participate in the Junior League.

A member must play in a minimum of 4 events in order to participate in the Club Championship.
