## **Twilight 9 HOLE LEAGUE**

**Welcome to the 2019 season.**

**Tee to Green has put together a full schedule of fun events, serious competition and interclub matches for your golfing pleasure. In “The Spirit of the Game”, golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for all members and to abide by the Rules. All members should conduct themselves in a disciplined manner (including dealings with staff), demonstrating courtesy and sportsmanship at all times, irrespective of how competitive you may be. If a situation arises that you are uncomfortable with or need clarification as to policy and procedures, please feel free to contact and discuss with me at any time.**

### **OVERVIEW:**

**League members are expected to maintain a pace of play of 2 hrs 15 mins or less for 9 holes. Penalty strokes may be administered when necessary to players not adhering to the Pace of Play Policy. For Pace of Play reasons, players are required to pick up once they have made double par swings on a hole. Players must record a score for that hole that they most likely would have made, if the hole was played out (in addition, put an “x” next to the score if using this procedure)**

**USGA rules are in effect, except where local rules apply for each event, and members are expected to have a working knowledge and understanding of basic rule situations that arise on the course.**

**ALL members are required to complete one mandatory on-course group rules/ pace of play session with our golf professional, offered during the months of May or June. Failure to complete a session will preclude a member from entering The Club Championship event and may result in suspension from the League until completed. You may sign up for any session by calling or emailing the Pro Shop.**

**FOR 2019: To assist with better understanding the "New" Rules, the USGA has developed a series of videos called "Have Fun Learning the Rules of Golf". Please go to [www.usga.org](http://www.usga.org) to watch a series of short videos which explain major rules changes that have been put into place for 2019.**

**A player must have a USGA Index that adjusts to a course handicap of 27 (9 holes) or less for Sunken Meadow to join the League.**

**Players must sign up in the League PORTAL online (link to be provided after enrollment) to register for an event, view tee times, pairings, results and stats. You are required to sign in and**

**purchase your green fees no less than one hour before your scheduled tee time based on the state policy. Every attempt is made to accommodate special requests if given advance notice. Cancellations must be received 24 hours in advance. Late cancellations may be subject to a cancellation fee imposed by NYS Parks.**

**Every attempt is made with pairings to allow members an enjoyable experience and to play with a majority of other members. Flight-ed events result in the same players being paired together consistently. Therefore, for non-flight-ed events, a high handicap may be paired with a low handicap to allow different members to play together. If you are paired too frequently with someone, or wish to play with someone you have not had the opportunity to play with, please email, and we will try to accommodate your request.**

**Initial pairings will be available in the PORTAL 4 days in advance. Any player signing up late will be put on a waitlist, even if there are openings on the tee sheet. Please check the PORTAL on a regular basis, as tee times and pairings may change. FOR 2019: If a player shows a pattern of “No Show” or “Late Cancellations”, such behavior may result in a suspension from League play. No shows and late cancellations are the primary reasons the “Format of the Day” is difficult to pre plan, resulting in a “NO FORMAT” at the 1<sup>st</sup> tee until all players have checked in.**

**Tee to Green will make every effort to have results announced at the conclusion of an event but that may not always possible due to the number of participants, time constraints and availability of staff. “Unofficial” results may be announced after the conclusion of an event, but “Official Results” will be available in the PORTAL within 24 hours. Errors are made at times which are readily corrected when brought to our attention. Any concerns should be expressed directly to the Pro Shop and will be handled accordingly.**

**For 2019: A member must play in a minimum of 4 events in to participate in the Club Championship. The League Season will operate within the GHIN Score Posting Season, April 1- November 14. Guests of members will be allowed to play on a per case basis but are not eligible to participate in the format of the day and therefore will not be responsible for event day fees.**
