

# Sunken Meadow Golf Course

## 2020 Golf Leagues (Twilight, Men / Women 9/18)

Below are the league offerings for the 2020 season. Details are on the following pages, please read thoroughly. Complete the enrollment form (page 3) and submit.

**Discount Opportunities:** We have a variety of options for reducing the cost of league membership.

1. New this year, we are offering a referral discount if you refer someone to sign up and play in our league (see details next pages). \$10 per new golfer, \$50 maximum
2. You are **required** to have a GHIN handicap to participate in league play. If you do not yet have one, we will establish one for you. If you maintain your handicap at another golf course **OR** belong to more than one Sunken Meadow league you are eligible for a \$25 discount.
3. Submit your league selection **AND** payment by March 1, 2020 and receive a 10% discount on your membership fee.

## Sunken Meadow

Welcome to the 2020 season!

Tee to Green has put together a full schedule of fun events, serious competition and interclub matches for your golfing pleasure. In "The Spirit of the Game", golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for all members and to abide by the Rules. All members should conduct themselves in a disciplined manner (including dealings with staff), demonstrating courtesy and sportsmanship at all times, irrespective of how competitive you may be. If a situation arises that you are uncomfortable with or need clarification as to policy and procedures, please feel free to contact and discuss with me at any time.

League members are expected to maintain a pace of play of 4 hrs. and 30 mins or less for 18 holes or 2 hrs. 15 mins or less for 9 holes. Penalty strokes may be administered when necessary to players not adhering to the Pace of Play Policy.

For Pace of Play reasons, players are required to pick up once they have made double par swings on a hole. Players must record a score for that hole that they most likely would have made, if the hole was played out (in addition, put an "x" next to the score if using this procedure)

USGA rules are in effect, except where local rules apply for each event, and Members are expected to have a working knowledge and understanding of basic rule situations that arise on the course. ALL members are required to complete one mandatory on-course group rules/ pace of play/ course management session with our golf professional. Failure to complete a session will preclude a member from entering The Club Championship event and may result in suspension from the League until completed.

Dates:       Monday May 4 @ 2 pm  
              Monday May 18 @ 6 pm

You may sign up for any session by calling or emailing the Pro Shop.

To assist with better understanding the USGA Rules of Golf, the USGA has developed a series of short, easy-to-follow videos called "Have Fun Learning the Rules of Golf". Please go to [www.usga.org](http://www.usga.org) to watch the videos, which explain major rules changes that have been put into place over the last year.

A player must have a USGA Index that adjusts to a course handicap of 54 or less for Sunken Meadow to join the League. Remember if you do not have a handicap established, we will do so for you.

After your league enrollment has been processed you will receive several emails. One of which is a link to Golf Genius, or League Portal. You must sign

up in the League Portal online no later than the Saturday before league play each week to register for a round. You will also have the ability to view pairings, view tee times, results and player stats.

Each golfer is required to check in at the pro shop before each round. You are required to sign in and purchase your green fees no less than one hour before your scheduled tee time based on the state policy. Every attempt is made to accommodate special requests if given advance notice. Cancellations must be received 24 hours in advance. Late cancellations may be subject to a cancellation fee imposed by NYS Parks. In the event of inclement weather, if the course is open then the league play is still scheduled.

Every attempt is made with pairings to allow Members an enjoyable experience and to play with a majority of other members. Flighted events result in like handicapped players being paired together consistently. Therefore, for non-flighted events, a high handicap may be paired with a low handicap to allow different members to play together. If you are paired too frequently with someone, or wish to play with someone you have not had the opportunity to play with, please email, and we will try to accommodate your request.

Initial pairings will be available in the Golf Genius Portal the **Sunday** before league play. Any player signing up late will be put on a waitlist, even if there are openings on the tee sheet.

FOR 2020: If a player shows a pattern of "No Show" or "Late Cancellations", such behavior may result in a suspension from League play. No shows and late cancellations are the primary reasons why the "Format of the Day" is difficult to pre-plan, resulting in a "NO FORMAT" at the first tee until all players have checked in.

Tee to Green will make every effort to have results announced at the conclusion of an event but that may not always be possible due to the number of participants, time constraints and availability of staff. "Unofficial" results may be announced after the conclusion of an event but "Official Results" will be available in the PORTAL and via email within 48 hours. Errors are made at times which are readily corrected when brought to our attention. Any concerns should be expressed directly to the Head Golf Professional and will be handled accordingly.

We will post all scores for rounds played during league play to the GHIN system. Scores that are posted will be adjusted for the Equitable Stroke Control (ESC); which based on the new 2020 World Handicap System coming into effect is Net Double-Bogey.

Golfers are responsible to post all scores from non-league rounds played either at Sunken Meadow or elsewhere to establish/ maintain an accurate handicap.

A member must play in a minimum of four (4) events to participate in the Club Championship. The League Season corresponds to the GHIN Score Posting Season April 1 – November 14.

Guests of members will be allowed to play on a per case basis but are not eligible to participate in the format of the day and therefore will not be responsible for event day fees.

### **Referral Discount**

New for 2020: We are offering a referral discount. Any member enrolled in our 2020 league season league seasons **AND** refers a new member to join in 2020 (that was not previously enrolled) is eligible to receive a \$10 credit.

- The new league member must list the referring member on their application to be applicable.
- New league member must pay in full and not withdraw prior to the beginning of the season.
- If your referral withdraws and is refunded you will be required to pay back the referral amount.
- You are only eligible for a maximum of \$50 or five referrals for the season.
- For any referral enrollments made prior to the start of the league season, the referral credit will be applied to your membership fee. This would be either in the form of a reduced charge or a refund if membership fees have already been processed.
- Any referral enrollments made after the season has begun will be applied as credit to your league balance.
- The referral discount is at the discretion of Tee to Green Pro Services.

### **Next Steps:**

1. Encourage those you know to enroll and identify you as their referral.
2. Submit League Enrollment and payment by March 1, 2020 to receive 10% Discount
3. Sign Up for on-course group rules/ pace of play/ course management session.
4. Once your enrollment is processed (after March 1<sup>st</sup>), enroll in the Golf Genius Website with link provided.
5. Start using your league benefits (listed next page)
